Call for Papers

The Chinese Journal of Physiology (CJP) is the official journal of **Chinese Physiological Society (CPS)**. Established in 1926, CPS is a scientific society which has dedicated itself to the promotion of physiological science by facilitating the interchange of either clinical discovery or laboratory research through frequent-and-regular publication of CJP.

CJP highly values each submission and guarantees that authors would receive reviewing comments within 60 days after each submitting date. In addition to rapid response to authors, CJP provides kinds of service at the most reasonable charge, while no submission fee is requested.

The editorial office of CJP sincerely welcomes manuscripts with novelty for the consideration of publication, and authors are encouraged to submit electronic files to Dr. Paulus S. Wang, Editor-in-Chief of CJP, at cjp.editorial.office@gmail.com or pswang@ym.edu.tw. For more detailed information, please mail queries to these two e-mail addresses also.

Your submission will be deeply appreciated. Looking forward to serving you soon.
